

Welcome to the innovative world of Lytess!

Thank you for choosing the Active Shaper. You can rely on the quality of products made using Lytess expertise.

We invite you to discover the innovative combination of a knitted body shaper fabric combined with slimming cosmetics designed to guarantee instant shaping results and a sleeker outline after 18 days.

#### A fabric action

5 correction areas that instantly eliminate fullness from the stomach, thighs, hips and buttocks while providing back support.

#### A cosmetic action

The slimming formulation has been specially devised to achieve targeted centimetre loss results from the 18th day.

Caffeine: Accelerates the rate at which fats stored in body cells are burned off.

Shea butter: Rich in essential fatty acids and vitamins. Protects and nourishes the skin

#### Recommendations for use and clinical trial results

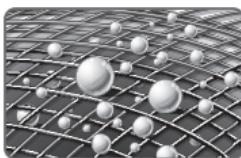

We recommend following the treatment procedure. Clinical trials carried out under dermatological control conditions and certified by an independent laboratory confirm an immediate loss of up to -10.3 cm from the waist and -4.5 cm from the hips.

After using the Active Shapers for 21 days, a loss of up to -3.7cm from the waist and -2.5 cm from the hips was recorded when Active Shapers were worn 8 hours a day for 6 days of the week.

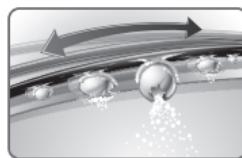

#### Controlled slow release

Controlled cosmetic compound release kinetics for optimum action period

1. Microcapsules fixing

2. Slow release

3. Penetration of active
