

Body Shield Pro Instructions

CAR BODY WASH, SHINE + PROTECTION TREATMENT (1 LITRE)

Suitable for all automotive vehicles

Instructions

You DO NOT need to wash the car before use. Shake bottle well. Spray directly onto body work. Spread evenly using a clean dry microfiber cloth, turning the cloth regularly. Wait a few seconds until a light haze appears. Polish off using a different clean dry microfiber cloth.

Tip: Clean a small area at a time – e.g. a panel at a time.

SAFETY PRECAUTION

Keep out of the reach of children. In case of contact with the eyes, rinse immediately with plenty of water and seek medical advice. If swallowed seek medical advice immediately and show this container and label.

Stay Clean Instructions (750 ML)

- When the windscreen washer bottle requires filling, add the correct amount of PermaClear StayClean to the bottle and fill with clean water.
- Clean windscreen thoroughly to remove all dirt, grease and insects.
- For normal conditions with temperatures down to 0°C – add 1 part PermaClear Stay Clean to 20 parts water to the washer bottle.

20% (5 capfulls) of the windscreen StayClean bottle to a 3 ltr washer bottle

30% (8 capfulls) of the windscreen StayClean bottle to a 5 ltr washer bottle

- Fill washer bottle with clean, cold water
- If colder conditions are expected, increase the amount of PermaClear in the washer bottle as follows: 1 part PermaClear StayClean to 6 parts water to the washer bottle.

30% (8 capfulls) of the windscreen StayClean bottle to a 3 ltr washer bottle

50% (10 capfulls) of the windscreen StayClean bottle to a 3 ltr washer bottle

- ADDITION OF FURTHER ADDITIVES IS NOT REQUIRED OR RECOMMENDED.
- Activate the wash/wipe system and hold to prolong the activity of the system and repeat.
- The coating is automatically maintained each time the wash/wipe system is operated.

IMPROVED VISABILITY from the 1st sweep of the wiper.

SAFETY PRECAUTION

Keep out of the reach of children. In case of contact with the eyes, rinse immediately with plenty of water and seek medical advice. If swallowed seek medical advice immediately and show this container and label.
