

*genie bra*™  
what all women wish for

## *Congratulations on Your New Genie Bra!*

Discover all the comfort, support, and style these unique bras can offer you.

Before trying on your Genie Bra, take a moment to read the care instructions below to increase the life of your Genie Bra.

The Genie Bra features woven everlast technology that eliminates rolls, wires and adjusting straps. Say goodbye to bra lines and bulges.

**Welcome to the Genie Bra experience... what all women wish for!**

### *How to Insert Pads*

1. Turn the Genie Bra inside out.
2. With the inner part of lift cup facing you, fold it in half.
3. Insert the cup into the slit on the side of the cup section of the Genie Bra.
4. Once inserted, flatten the cup so that it fits comfortably in the Genie Bra.

### *How To Remove Pads*

1. Turn the Genie Bra inside out.
2. With two fingers, remove the cup through the slit on the side of the cup section of the Genie Bra.

### *How To Care for Pads*

Hand wash and hang to dry as needed.

## *Genie Bra Care Instructions*

**Genie Bra is machine washable and dryer safe.**

To prolong the life of your Genie Bra, we recommend the following:

Remove pads before washing. Machine wash cold, delicate cycle with like colors. Tumble dry low.

**DO NOT IRON. DO NOT BLEACH.**
